bringing together warbird aircraft from all over New Zealand. Classic Fighters is more than an airshow, aircraft are displayed as part of a theatrical spectacle, where battle scenes from both World Wars are re-enacted on the ground as well as in the air. Marking the 125th Anniversary of New Zealand women's suffrage, the theme for Classics 2019 is 'Saluting Women in Aviation'. See present day aviatrixes, participating in the show and learn of the roles played by women throughout the history of aviation & their significant contributions to the advancement of air travel. See and enjoy, the famous machines from the Great War dog-fighting overhead; mock airfield attacks by the glamour fighters of WW2; theatrical ground theatre battles with troops and vehicles in conjunction with aerial displays; formation aerobatics & historic aircraft displays; and displays by the Royal New Zealand Air Force. WW1 displays feature the Fokker Triplanes & Sopwiths, with a range of exciting antique and classic open cockpit biplanes and vintage cabin airlines representing the "Golden Age". The warbirds of WW2 include the iconic Spitfire, Mustang, and Kittyhawk, along with the PBV Catalina, DC3 and Harvards, to name a few. (*Aircraft are subject to change*).
